

Our Commitment

Sporting Chance Project Ltd (SCP) is committed to promoting equality, celebrating diversity, and creating an inclusive, anti-discriminatory environment where all children and young people (CYP), staff, volunteers, visitors, and partners are treated with dignity, respect, and fairness.

As an Alternative Learning Provider (ALP), we believe that every individual should have equal access to opportunities, support, education, mentoring, and personal development. We will not unlawfully discriminate because of any protected characteristic under the Equality Act 2010, including by association or perception.

We Will

- Promote equality of opportunity for all.
- Celebrate diversity and respect individual differences.
- Provide an inclusive and welcoming environment.
- Make reasonable adjustments for disabled people and provide proportionate support for individual needs.
- Prevent and challenge direct and indirect discrimination, harassment, sexual harassment, victimisation, bullying, and prejudice, including racism and faith-based prejudice.
- Support children and young people with SEND, EHCPs, SEMH needs, disabilities, and additional vulnerabilities.
- Ensure our recruitment, employment, training, and service delivery are free from unlawful discrimination.
- Listen to and value the views of children, young people, families, and staff.

Equality and Safeguarding

SCP recognises racism, faith-based prejudice, and other discrimination as harm in its own right. These experiences can affect a CYP's welfare, wellbeing, mental health, sense of safety, and willingness to seek help, and may present safeguarding concerns.

We are committed to an inclusive, anti-discriminatory culture where everyone feels safe, respected, valued, and able to reach their full potential, and where discriminatory behaviour, including child-on-child racism and faith-targeted abuse, is recognised and challenged.

Any concerns relating to discrimination, bullying, harassment, hate incidents, or unfair treatment will be taken seriously and addressed promptly under the relevant safeguarding, child-on-child abuse, complaints, grievance, disciplinary, or whistleblowing procedure. Safeguarding action must not be delayed where a CYP may be at risk.

Reporting Concerns

If you experience or witness discrimination, bullying, harassment, or unfair treatment, please speak to a member of staff, the Designated Safeguarding Lead (DSL), or a Deputy DSL. Use SCP's allegations and LADO procedure for concerns about an adult working with CYP, and the appropriate grievance or whistleblowing route for workplace concerns.

Our Commitment to Inclusion

At SCP, we believe that diversity strengthens our community and that every child and young person deserves the opportunity to learn, develop, and succeed in a safe, supportive, and inclusive environment.
